

June 11th, 2018

Dear Sponsors and Participants,

It is our pleasure to reach out to you as a new school year begins with an opportunity to get involved with Campus Recreation and the MTSU community. Each year the Intramural Sports Program offers a variety of ways for the Murfreesboro community to get involved in events that benefit students and the activities provided for them throughout the academic year. We are incredibly grateful of the overwhelming support we have received in the past from our community partners and take a great deal of pride in the amazing relationships we have developed. This letter serves as a thank you for your support past, present, and future as we are well aware that our continued success would be impossible without your kindness and generosity.

Along those same lines, we would like to take this time to inform you of a very successful event we host each year of which you may have interest in participating. The event is our 8th Annual Brandon Johnson Scholarship Event which will be played on Friday, September 21st at Old Fort Golf Course. As our main fundraising event for a scholarship benefitting outstanding students, we are honored to host this event each year as it presents fantastic networking opportunities and thorough enjoyment from all of those involved.

We have attached brief explanations of the event and information about how you can get involved. As with any of our partnerships, we make every effort possible to provide both individuals and businesses with an opportunities extending well beyond the actual event. By opening our doors and providing an avenue for interaction with the vast number of individuals that enter our facility and participate in our programs, it is our priority to build relationships that are mutually beneficial. We look forward to speaking with you soon and thank you for your time and support of our program.

Sincerely,

DAVID W TIPPETT
