About Donor Confirmation

Your TBRECC pledge card attached to the bottom contains a special donor confirmation area. If you would like to receive a letter confirming receipt from each agency you designated to, then you must complete this portion of the pledge card. This information is used solely for donor confirmation and not for further solicitation. Your name will not be sold to any mailing list or used for any other purpose.
We couldn’t imagine a world without the Civil Rights Acts, the Women’s Right to Vote, or Americans with Disabilities Act. These incredible social change movements are proof that, collectively, we can create social justice and equity in our society.

How does it work?
Community Shares believes in choice. You decide how much to give and where to give it, and we disperse those funds to the specified group(s) of your choosing. Here are your two choices:

1. Choose the Community Shares general fund and the money will be distributed evenly among our full member groups.
2. Choose the nonprofit(s) of your choice and be assured that your donation will have a lasting impact on their work and community.

Thank you. Metro employees, for your generosity. Know that we are guided by the principle that “Injustice anywhere is a threat to justice everywhere.” It’s a quote by Martin Luther King, Junior, and words that remind us that we are connected.

United Ways of Tennessee

Local Needs, Local Solutions...United Way is working to advance the common good by focusing on the building blocks for a good life through several areas including education, income and health.

Our efforts help provide:

- Crisis response, food and shelter for victims of disasters such as fires, floods and tornadoes
- free 2-1-1 phone access in every county to find health and human services and volunteer opportunities
- nurturing childcare and after school programming for children and youth
- job skills for people who want to work
- health care for seniors who might otherwise go without
- food and shelter for those facing tough times
- safe havens from abuse

Together, we can inspire hope and create opportunities for a better tomorrow.

That's what it means to LIVE UNITED™

Community Health Charities is a nonprofit that raises awareness and resources for health and wellness by connecting more than 2,000 of the most trusted health charities across the United States with more than 17 million caring donors through workplace giving campaigns, causes, wellness programs, employee engagement, and strategic partnerships.

Health has never been such a priority: 77% of U.S. workers suffer from at least one long-term health condition, ranging from cancer to asthma – chances are someone you know is affected. Therefore, we deliver more of every donor dollar to the health charities on the forefront of providing innovative research, programs, and services that help us live healthier lives.

Your donation provides resources and services to support healthier communities, workplaces, and families.

$25 could provide an individual with a specialized cookbook to help them learn more about diabetes, what and how to eat to manage everyday living.

$50 allows one patient to be registered for Medic Alert+, the Alzheimer’s Association’s Safe Return program.

$100 could train an instructor to teach suicide prevention classes through Mental Health America of Middle Tennessee.
Thank You!
