Welcome to MTSU!

It is with great pleasure that I welcome you to the Area 1B family. Our area consists of Lyon and Rutledge Halls. The Lyon Complex, located in the historic section of campus, is home to a diverse group of students from all academic disciplines and includes both honors and non-honors students. Recently renovated, Lyon Complex includes Miss Mary and McHenry Halls and can house 236 students. Lyon Hall also houses our Honors Living Learning Community. Rutledge Hall is the most historical residence hall on campus. It is located on the west side of campus. Rutledge is steps from Walnut Grove, Kirksey Old Main Building, Peck Hall and next door to the James Union Building which houses one of the main on-campus cafeterias. Rutledge houses between eighty and ninety students.

For your convenience we have live in staff who works to help you transition into life in college. We have strategically placed Resident Assistants (RA) in every building to help you with college issues and who are there to help you succeed. On the professional level we have an Area Coordinator and Resident Director who also lives within the area and oversees the area operations.
