DEPARTMENT OF SOCIAL WORK
Addendum to Departmental Promotion & Tenure Policy
Evaluation of Coordinator Faculty Positions for a New Term

Coordinators teach and provide administrative services within the academic departments. They devote a preponderance of their time to faculty responsibilities including, but not limited to, teaching, advising, and student mentoring. Coordinators may also have responsibility for administering special academic projects, systems support, and other administrative services. Within the Department of Social Work the faculty Field Coordinator administrative services include recruiting and maintaining internship sites, placing students into appropriate internships, and maintaining a database of student outcomes for the internships, as required by CSWE accreditation.

The Department Tenure and Promotion Committee will review applications for retention of coordinators to renew their appointments for a new term. Annual renewal within a fixed term does not require a committee review. Composition of the Promotion and Tenure Committee and requirements for a quorum are provided in the department tenure, promotion, and retention policy.

Any policy changes in committee structure and committee operations that are approved by the department for the department tenure, promotion, and retention policy will also be applied to this policy.
