Making Your Reservation

- You have until **October 3, 2016** to reserve your Inn room. After that date, the group code will no longer be available. You may reserve your room by phone or internet. You must use your 4 digit group code (6825) when making a reservation. The first night’s deposit of $90.65 will be required when making the reservation.

*Reserving over the phone:*

- Call (800)250-8614 or (731)642-4311. Tell the reservationist that you would like to reserve your room using group code **6825**.

*Reserving online:*

https://guestrez.megahotel.com/Hotel/Reservation/Index/P8A51

**Step One:**

- Enter your 4 digit group code (6825) in the **Group** box.

*You may not use any other discounts with your group code such as TN State Employee, TN State Teacher, Active Duty Military or Senior Citizen discounts. If you would like to use one of these applicable discounts, you will need to follow traditional reservation procedures and will not be able to use the group code for your reservation.*
Step Two:

This will show the type of rooms that your group has blocked. Click “SELECT”.

The Summary of Charges will appear with the room rate for each night, taxes and fees, required deposit to make the reservation and the total cost of the room for your stay. Click “CONTINUE” to reserve and you will then enter your name and other required information, your credit or debt card information to pay the required deposit and a place for any notes or requests such as “near an elevator, need a pet room, need a handicap accessible room”, etc.

Should you need to make any changes after you have made your reservation, you may use this same process to look up your existing reservation or you may call the reservation line directly and request the changes to a reservation clerk.
