JONES COLLEGE OF BUSINESS

To: Fall 2024 Intermediate Accounting I Students  
From: Kim Honaker, Interim Chair, Department of Accounting  
Date: March 1, 2024  
Re: Intermediate Accounting I (ACTG 3110) entrance requirement

We are continuing our efforts to ensure that our accounting majors have the appropriate skills and knowledge to succeed in our program. Because our professors have noticed significant variability in students' knowledge and level of preparedness, we have developed a process to ensure students are adequately prepared as they enter Intermediate Accounting I (ACTG 3110). Previously, that process included offering ACTG 3100 as a preparatory course for Intermediate Accounting I. However, beginning with Summer and Fall 2024, the department has modified this process as outlined in the paragraph below.

As specified in the MTSU undergraduate catalog, students enrolling in Intermediate Accounting I must achieve a passing grade on a departmental admission exam, now called the Intermediate Readiness Exam. A score of 70 percent or higher on the Intermediate Readiness Exam qualifies as a passing grade and fulfills the entrance requirement for Intermediate Accounting I. For Fall 2024, a student who does not score 70 percent or higher on the Intermediate Readiness Exam can still meet the entrance requirement by successfully completing ALEKS® - Financial Accounting (Accounting Cycle/Corporation) by **7:00 p.m. on Thursday, August 29, 2024**. A student enrolled in Intermediate Accounting I during Fall 2024 semester **MUST TAKE** the Intermediate Readiness Exam, unless the student met the entrance requirement as part of the Intermediate Accounting I curriculum during the previous term of enrollment, but not before Spring 2024 semester.

### Exam Procedures

The exam may be taken only one time between Wednesday, April 17 and Monday, August 19, 2024. ### Exam Topics

The exam tests financial accounting topics from traditional principles of accounting courses. Managerial accounting topics will not be covered on the exam as those concepts are not part of the Intermediate Accounting I course content. A study guide in the form of a topical index of concepts covered in traditional principles of accounting courses is provided at the end of this document.

### Post-Exam Procedures

You will be able to enroll in ACTG 3110 the same day that you take the Intermediate Readiness Exam. For ease in finalizing your Fall 2024 course schedule, we strongly encourage you to keep an ACTG 3110 class meeting time open until you have taken the Intermediate Readiness Exam:

### ALEKS®

A student who is required to complete ALEKS® - Financial Accounting (Accounting Cycle/Corporation) to meet the entrance requirement, because a score of 70 percent or higher was not achieved on the Intermediate Readiness Exam, will be provided a free access code for ALEKS® upon request. ALEKS® is an interactive online learning system that assesses a student's beginning knowledge level and then offers instruction, based on the assessment, to bring the student to the appropriate knowledge level. The time requirement to complete the online module ranges from approximately five hours to 45 hours. ALEKS® - Financial Accounting (Accounting Cycle/ Corporation) must be completed by **7:00 p.m. on Thursday, August 29, 2024, to meet the entrance requirement for Fall 2024 semester.**

**A student who does not successfully complete the entrance requirement by 7:00 p.m. on Thursday, August 29, 2024, will be given the option of withdrawing from the course for the semester or remaining in Intermediate Accounting I for the duration of the semester and earning a semester grade of F or FA (determined by the student's attendance history in Intermediate Accounting I during Fall 2024 semester). In the event that a student chooses to remain enrolled in Intermediate Accounting I after failing to meet the entrance requirement by the deadline of 7:00 p.m. on Thursday, August 29, 2024, no assignments or tests will be graded from that point forward.**

Completion of the entrance requirement for enrollment in Intermediate Accounting I during Fall 2024 semester will be valid through Spring 2025 semester.

Please contact Ms. Davis at [Monica.Davis@mtsu.edu](mailto:Monica.Davis@mtsu.edu) with any questions you have regarding the Intermediate Accounting I entrance requirement.
