At its May 2021 meeting, the Committee revised the Board’s Policy on Board Committees for compliance with SACSCOC Standard 4.2.g Board Self-Evaluation. The Committee is required to adopt a regular schedule for evaluations of the Board’s responsibilities and expectations on at least a biennial basis. This action will establish a documented cycle of evaluation and continuous improvement for the Board of Trustees.

**2023 Fall Recruitment and Enrollment**
Total enrollment stands at 20,187 registered students for the 2023 Fall as of today, our census day. This represents an increase of .5% over last year and the first increase in total enrollment since 2020. Our enrollment numbers reflect the following: new freshmen are up by 11.12%; new graduates are up by 10.69%; and dual enrollments are up by 34.01% - leading Dr. McPhee to highlight the hard work of the University College led by Dean Sluder. While we are slightly down in transfer students, the University is certainly holding its own in light of the decreased enrollment at our neighboring community colleges. On the recruitment front, we will start with our True Blue Tours beginning tomorrow. Our Tours will take us to each grand division of Tennessee. In addition, we will go to Kentucky, Alabama, and Georgia. Our stops will include counselor lunches and receptions for prospective students and parents in fourteen (14) different locations. President McPhee shared that he is hopeful that we will have more record admissions. He also commended the deans, department chairs, and staff who are continuing to work hard to make connections with prospective students.
New Deans
Dr. McPhee shared that we have three (3) new academic deans. Dr. Neporcha Cone, Dean of the College of Education, Dr. Joyce Heames, Dean of the Jones College of Business, and Dr. Michael Hein, Interim Dean of the College of Behavioral and Health Sciences, introduced themselves and gave brief presentations on their vision for their respective colleges.

Conclusion
In closing, Dr. McPhee reminded the Board that homecoming is next week and invited members to come join in related events including the parade, mixer on middle, and the alumni tailgate. He then thanked the Board for its continued support.

Adjournment
Vice Chair Vanek adjourned the meeting at 2:05 p.m.

SS-7037 (March 2020)
0240-07-02-.02 Out-of-State Students who are not Required to Pay Out-of-State Tuition is amended by adding Paragraph (4) so that, as amended, the amended rule in its entirety shall read:

0240-07-02-.02 Out-of-State Students who are not Required to Pay Out-of-State Tuition

(1) An unemancipated, currently enrolled student will be reclassified as out-of-state should his/her parent move out of the state of Tennessee. However, the student will not be required to pay out-of-state tuition nor be treated as an out-of-state student for admission purposes so long as he/she is continuously enrolled at MTSU.

(2) The waiver of out-of-state tuition granted to a student will follow the student from a Tennessee public community college to MTSU if the student transfers from the community college without a break in enrollment after successfully completing an associate’s degree or if participating in a reverse transfer program.

(3) Students who participate in a study abroad program, when the course(s) in the study abroad program is/are the only course(s) for which the student is registered during that entire term are not required to pay out-of-state tuition.

(4) Dependent children whose parents are full-time, licensed Tennessee Public School Teachers and will be utilizing the Public Higher Education Fee Discount form.

(5) Military veterans who have a Tennessee address in Box 19A on their DD214 (mailing address after separation) will be charged in-state tuition and fees.

(6) A veteran or dependents eligible to receive educational benefits (to include the David Fry Scholarship) administered by the United States Department of Veterans Affairs, through any provision of the United States Code, shall not be required to pay out-of-state tuition and fees when the veteran or eligible dependent is:

(a) Enrolled at MTSU;

(b) Utilizing such benefits at MTSU; and

(c) Living in the state of Tennessee, regardless of the individual’s formal state of residency.

If VA benefits run out/expire prior to graduation, a student can continue to qualify for in-state tuition and fees until completion of that degree, if he/she:

1. Maintains continuous enrollment (Fall and Spring terms); and

2. Demonstrates objective evidence of established residency in the state of Tennessee by presenting three (3) of the following:

   (i) A Tennessee driver’s license, issued for at least one (1) year;

   (ii) A Tennessee Identification Card, issued for at least one (1) year;

   (iv) A Tennessee motor vehicle registration;

   (v) Proof of paying Tennessee income tax.

   (vi) Proof of voter registration.

   (vii) Proof of permanent residence in the state of Tennessee.

   (viii) Proof of property ownership.

   (ix) Proof of establishment of a primary bank account.

   (x) Proof of establishment of a primary Social Security account.

   (xi) Proof of a current Tennessee driver’s license issued for at least one (1) year.

   (xii) Proof of a current Tennessee identification card issued for at least one (1) year.

   (xiii) Proof of a Tennessee voter registration.

   (xiv) Proof of a Tennessee motor vehicle registration.

   (xv) Proof of paying Tennessee income tax.

   (xvi) Proof of voter registration.

   (xvii) Proof of permanent residence in the state of Tennessee.

   (xviii) Proof of property ownership.

   (xix) Proof of establishment of a primary bank account.

   (xx) Proof of establishment of a primary Social Security account.
(v) Proof of established employment in Tennessee;
(vi) Residential lease or mortgage.

Further, if the veteran or eligible dependent wishes to become a permanent resident, he/she can follow Steps 1 and 2 above and be recoded as an in-state resident.

(7) Individuals who join the Tennessee National Guard (active member) will be charged in-state tuition and fees.

(8) Military service members on active-duty orders who are stationed outside of the state of Tennessee but still maintain a Tennessee domicile will be charged in-state tuition and fees.

(9) An unemancipated person or spouse of an active-duty military member who is stationed outside of Tennessee but whose home of record is Tennessee, will be charged in-state tuition and fees (must show proof of domicile, including, but not limited to, driver’s license, voter’s registration, LES, tax document).

(10) An unemancipated person whose parent is not domiciled in Tennessee but is a member of the armed forces and stationed in Tennessee or at Fort Campbell, Kentucky pursuant to military orders will be classified out-of-state but shall not be required to pay out-of-state tuition. Such a person, while in continuous attendance toward the degree for which he/she is currently enrolled, will not be required to pay out-of-state tuition if his/her parent is transferred on military orders.

(11) Active-duty military personnel who begin working on a college degree at MTSU while stationed in Tennessee or at Fort Campbell, Kentucky, and who are transferred or deployed prior to completing their degree, can continue to completion of the degree at MTSU without being required to pay out-of-state tuition. Such a person, while in continuous attendance toward the degree for which he/she is currently enrolled, will not be required to pay out-of-state tuition if his/her parent is transferred on military orders.

(12) Military personnel and their spouses stationed in Tennessee or at Fort Campbell, Kentucky who would be classified out-of-state in accordance with other provisions of these rules will be classified out-of-state but will not be required to pay out-of-state tuition. This does not apply to military personnel and their spouses who are stationed in Tennessee primarily for educational purposes.

(13) MTSU shall charge a dependent child under twenty-three (23) years of age, whose military parent dies as a result of a targeted attack that occurred in Tennessee, in-state tuition and fees regardless of the dependent child’s domicile or place of residence during the dependent child’s enrollment at MTSU, provided the dependent child has met and continues to meet all stated statutory requirements.

(14) Part-time students who are not domiciled in Tennessee but who are employed full-time in Tennessee, or who are stationed at Fort Campbell, Kentucky pursuant to military orders, shall be classified out-of-state but shall not be required to pay out-of-state tuition. This shall also apply to part-time students who are employed in Tennessee by more than one (1) employer, resulting in the equivalent of full-time employment. Full-time employment is defined as working either one (1) job at a minimum of thirty-two (32) hours per week or more than one (1) part-time job to total an average of thirty-two (32) hours per week.

(15) Presumption. No person shall qualify for in-state fees if he/she came to Tennessee for the primary purpose of attending college. For example, if an individual moved to Tennessee and immediately enrolled at MTSU, another university, college, or community college as a full-time student, that person is presumed to have moved to Tennessee for the primary purpose of attending college and will not be eligible for in-state fees. The presumption is that a student cannot acquire domicile in Tennessee while enrolled as a full-time student.

(16) Evidence to be Considered for Establishment of Domicile. If a person asserts that he/she has established domicile in Tennessee, he/she has the burden of proving that he/she has done so. MTSU will consider any and all evidence provided concerning such claim of domicile. Generally, persons attempting to prove domicile should be prepared to offer multiple items of evidence including, but not limited to, proof of residence and/or property ownership within Tennessee; military orders assigning the person to Tennessee; proof of full-time employment within Tennessee; proof of receiving a Tennessee state benefit...
including, but not limited to, TennCare, TN Disability benefits, or SNAP; proof of current classification as in-state for tuition and fee purposes at another public Tennessee higher education institution; etc.

B. Absence from Tennessee for short periods of time will not affect the establishment of a residence, provided domicile was not established in another state during that time.
C. Students and applicants not having domicile in Tennessee shall be classified out-of-state.

D. The domicile of an unemancipated person is that of his/her parent, except as provided in Section II.E. of this policy. Students who are unemancipated must submit parent, legal guardian, or foster parent documentation in lieu of their own. An emancipated person is one who has attained the age of eighteen (18) years, and whose parents have entirely legally surrendered the right to the care, custody, and earnings of such person and who no longer are under any legal obligation to support or maintain such deemed emancipated person.

E. Unemancipated students of divorced parents shall be classified in-state when one (1) parent, regardless of custodial status, is domiciled in Tennessee.

F. A student is classified in-state for tuition and fee purposes if the student is a citizen of the U.S. and has resided in Tennessee for at least one (1) year immediately prior to admission and meets one (1) of the following:

1. Graduated from a Tennessee public secondary school;

2. Graduated from a private secondary school that is located in Tennessee; or

3. Earned a Tennessee high school equivalency diploma.

G. The spouse of a student classified as in-state will also be classified as in-state.

H. Regular full-time employees at institutions governed by the Tennessee Board of Regents (TBR) or a Locally Governed Institution (LGI), along with their spouses and children shall be classified as in-state students for purposes of fees and tuition when enrolled in courses at any TBR institution or LGI.

I. Graduate assistants at MTSU shall be classified as in-state for purposes of fees and tuition.

J. Continuous enrollment at MTSU is defined as enrollment in at least one (1) course in successive Fall or Spring terms during the student’s enrollment.

III. Out-of-State Students who are Not Required to Pay Out-of-State Tuition

A. An unemancipated, currently enrolled student will be reclassified as out-of-state should his/her parent move out of the state of Tennessee. However, the student will not be required to pay out-of-state tuition nor be treated as an out-of-state student for admission purposes so long as he/she is continuously enrolled at MTSU.
B. The waiver of out-of-state tuition granted to a student will follow the student from a Tennessee public community college to MTSU if the student transfers from the community college without a break in enrollment after successfully completing an associate’s degree or if participating in a reverse transfer program.

C. Students who participate in a study abroad program, when the course(s) in the study abroad program is/are the only course(s) for which the student is registered during that entire term are not required to pay out-of-state tuition.

D. Dependent children who qualify and are selected to receive a scholarship because their parent is a law enforcement officer, fireman, or emergency medical service technician who was killed or totally and permanently disabled while performing duties within the scope of their employment are not required to pay out-of-state tuition. T.C.A. § 49-4-704.

E. Dependent children whose parents are full-time, licensed Tennessee Public School Teachers and will be utilizing the Public Higher Education Fee Discount form.

F. Military veterans who have a Tennessee address in Box 19A on their DD214 (mailing address after separation) will be charged in-state tuition and fees.

G. A veteran or dependents eligible to receive educational benefits (to include the David Fry Scholarship) administered by the United States Department of Veterans Affairs, through any provision of the United States Code, shall not be required to pay out-of-state tuition and fees when the veteran or eligible dependent is:

1. Enrolled at MTSU;

2. Utilizing such benefits at MTSU; and

3. Living in the state of Tennessee, regardless of the individual’s formal state of residency.

If VA benefits run out/expire prior to graduation, a student can continue to qualify for in-state tuition and fees until completion of that degree, if he/she:

a. Maintains continuous enrollment (Fall and Spring terms); and

b. Demonstrates objective evidence of established residency in the state of Tennessee by presenting three (3) of the following:

(1) A Tennessee driver’s license, issued for at least one (1) year;

(2) A Tennessee Identification Card, issued for at least one (1) year;
(3) Proof of a Tennessee voter’s registration;

(4) A Tennessee motor vehicle registration;

(5) Proof of established employment in Tennessee;

(6) Residential lease or mortgage.

Further, if the veteran or eligible dependent wishes to become a permanent resident, he/she can follow Steps a. and b. above and be recoded as an in-state resident.

G. Individuals who join the Tennessee National Guard (active member) will be charged in-state tuition and fees.

H. Military service members on active-duty orders who are stationed outside of the state of Tennessee but still maintain a Tennessee domicile will be charged in-state tuition and fees.

I. An unemancipated person or spouse of an active-duty military member who is stationed outside of Tennessee but whose home of record is Tennessee, will be charged in-state tuition and fees (must show proof of domicile, including, but not limited to, driver’s license, voter’s registration, LES, tax document).

K. An unemancipated person whose parent is not domiciled in Tennessee but is a member of the armed forces and stationed in Tennessee or at Fort Campbell, Kentucky pursuant to military orders will be classified out-of-state but shall not be required to pay out-of-state tuition. Such a person, while in continuous attendance toward the degree for which he/she is currently enrolled, will not be required to pay out-of-state tuition if his/her parent is transferred on military orders.

L. Active-duty military personnel who begin working on a college degree at MTSU while stationed in Tennessee or at Fort Campbell, Kentucky, and who are transferred or deployed prior to completing their degree, can continue to completion of the degree at MTSU without being required to pay out-of-state tuition, as long as he/she completes at least one (1) course for credit each twelve (12)-month period after the transfer or deployment. Exceptions may be made in cases where the service member is deployed to an area of armed conflict for periods exceeding twelve (12) months.

M. A spouse or dependent child of a service member who has been transferred out of the state of Tennessee on military orders will be classified as an in-state student for tuition purposes, if the spouse or dependent child: (1) Was accepted for admission to a public postsecondary institution; (2) Was initially classified by the institution that accepted the spouse or dependent child for admission as a Tennessee resident for tuition purposes;
(3) Enrolls as a student in that institution for the academic term for which the spouse or dependent child was accepted for admission; and (4) Maintains continuous enrollment in that institution.

N. Military personnel and their spouses stationed in Tennessee or at Fort Campbell, Kentucky who would be classified out-of-state in accordance with other provisions of this policy will be classified out-of-state but will not be required to pay out-of-state tuition. This does not apply to military personnel and their spouses who are stationed in Tennessee primarily for educational purposes.

O. Pursuant to T.C.A. § 49-7-164, MTSU shall charge a dependent child under twenty-three (23) years of age, whose military parent dies as a result of a targeted attack that occurred in Tennessee, in-state tuition and fees regardless of the dependent child’s domicile or place of residence during the dependent child’s enrollment at MTSU, provided the dependent child has met and continues to meet all stated statutory requirements.

P. Part-time students who are not domiciled in Tennessee but who are employed full-time in Tennessee, or who are stationed at Fort Campbell, Kentucky pursuant to military orders, shall be classified out-of-state but shall not be required to pay out-of-state tuition. This shall apply to part-time students who are employed in Tennessee by more than one (1) employer, resulting in the equivalent of full-time employment. Full-time employment is defined as working either one (1) job at a minimum of thirty-two (32) hours per week or more than one (1) part-time job to total an average of thirty-two (32) hours per week.

Q. P—Presumption. No person shall qualify for in-state fees if he/she came to Tennessee for the primary purpose of attending college. For example, if an individual moved to Tennessee and immediately enrolled at MTSU, another university, college, or community college as a full-time student, that person is presumed to have moved to Tennessee for the primary purpose of attending college and will not be eligible for in-state fees. The presumption is that a student cannot acquire domicile in Tennessee while enrolled as a full-time student.

R. Q—Evidence to be Considered for Establishment of Domicile. If a person asserts that he/she has established domicile in Tennessee, he/she has the burden of proving that he/she has done so. MTSU will consider any and all evidence provided concerning such claim of domicile. Generally, persons attempting to prove domicile should be prepared to offer multiple items of evidence including, but not limited to, proof of residence and/or property ownership within Tennessee; military orders assigning the person to Tennessee; proof of full-time employment within Tennessee; proof of receiving a Tennessee state benefit including, but not limited to, TennCare, TN Disability benefits,
or SNAP; proof of current classification as in-state for tuition and fee purposes at another public Tennessee higher education institution; etc.

B. The Assistant Vice President for Student Affairs or designee will, upon request of the individual and receipt of any additional information required for full consideration, convene the Student Appeals Committee. A representative of the office of original classification in each individual case shall serve as a consultant to the Student Appeals Committee and, upon request, shall provide the basis for the original decision and any other relevant information.

C. The Student Appeals Committee shall hear such evidence members regard as relevant to a proper review of the individual’s residency status and will make a recommendation to the Vice PresidentProvost for Student AffairsEnrollment Services either denying the appeal or recommending that the individual be reclassified as in-state for purposes of tuition and fee payment.

D. The Vice PresidentProvost for Student AffairsEnrollment Services will approve, reject, or modify the recommendation of the Student Appeals Committee. Notification to the individual of MTSU’s decision is anticipated to be within five (5) business days, except
during periods when a large volume of appeals has been filed, which may require extension of this notification period.

E. The decision of the Vice President Provost for Student Affairs Enrollment Services will be final in matters of appeal with regard to residency status for purposes of tuition and fee payment.

V. Effective Date for Reclassification

A. If a student classified out-of-state applies for in-state classification and is subsequently so classified, his/her in-state classification shall be effective as of the date on which reclassification was sought.

B. However, out-of-state tuition will be charged for any semester during which reclassification is sought and obtained unless application for reclassification is made to the classification officer on or before the census day of that semester.

VI. Regional Scholars

A. The MTSU Regional Scholars Program allows select non-Tennessee resident students who live within a specified radius of the MTSU campus, as determined by the Board of Trustees and published on the Regional Scholars website and who meet specific academic requirements, to attend MTSU at a reduced rate.

B. Though still classified as out-of-state, students who qualify will receive:

1. A reduced tuition as determined by MTSU in accordance with approved guidelines.

2. Consideration for institutional scholarships if admitted by the established scholarship deadlines.

Domicile is a person’s true, fixed, and permanent home and place of habitation; it is the place where he/she intends to remain, and to which he/she expects to return when he/she leaves MTSU without intending to establish a new domicile elsewhere.

1. B. Absence from Tennessee for short periods of time will not affect the establishment of a residence, provided domicile was not established in another state during that time.
C. Students and applicants not having domicile in Tennessee shall be classified out-of-state.

D. The domicile of an unemancipated person is that of his/her parent, except as provided in Section II.E. of this policy. Students who are unemancipated must submit parent, legal guardian, or foster parent documentation in lieu of their own. An emancipated person is one who has attained the age of eighteen (18) years, and whose parents have entirely legally surrendered the right to the care, custody, and earnings of such person and who no longer are under any legal obligation to support or maintain such deemed emancipated person.

E. Unemancipated students of divorced parents shall be classified in-state when one (1) parent, regardless of custodial status, is domiciled in Tennessee.

F. A student is classified in-state for tuition and fee purposes if the student is a citizen of the U.S. and has resided in Tennessee for at least one (1) year immediately prior to admission and meets one (1) of the following:

1. Graduated from a Tennessee public secondary school;
2. Graduated from a private secondary school that is located in Tennessee; or

I. Graduate assistants at MTSU shall be classified as in-state for purposes of fees and tuition.

J. Continuous enrollment at MTSU is defined as enrollment in at least one (1) course in successive Fall or Spring terms during the student’s enrollment.

III. Out-of-State Students who are Not Required to Pay Out-of-State Tuition

A. An unemancipated, currently enrolled student will be reclassified as out-of-state should his/her parent move out of the state of Tennessee. However, the student will not be required to pay out-of-state tuition nor be treated as an out-of-state student for admission purposes so long as he/she is continuously enrolled at MTSU.
B. The waiver of out-of-state tuition granted to a student will follow the student from a Tennessee public community college to MTSU if the student transfers from the community college without a break in enrollment after successfully completing an associate’s degree or if participating in a reverse transfer program.

C. Students who participate in a study abroad program, when the course(s) in the study abroad program is/are the only course(s) for which the student is registered during that entire term are not required to pay out-of-state tuition.

D. Dependent children who qualify and are selected to receive a scholarship because their parent is a law enforcement officer, fireman, or emergency medical service technician who was killed or totally and permanently disabled while performing duties within the scope of their employment are not required to pay out-of-state tuition. T.C.A. § 49-4-704.

E. Dependent children whose parents are full-time, licensed Tennessee Public School Teachers and will be utilizing the Public Higher Education Fee Discount form.

F. Military veterans who have a Tennessee address in Box 19A on their DD214 (mailing address after separation) will be charged in-state tuition and fees.

G. A veteran or dependents eligible to receive educational benefits (to include the David Fry Scholarship) administered by the United States Department of Veterans Affairs, through any provision of the United States Code, shall not be required to pay out-of-state tuition and fees when the veteran or eligible dependent is:

1. Enrolled at MTSU;

2. Utilizing such benefits at MTSU; and

3. Living in the state of Tennessee, regardless of the individual’s formal state of residency.

If VA benefits run out/expire prior to graduation, a student can continue to qualify for in-state tuition and fees until completion of that degree, if he/she:

a. Maintains continuous enrollment (Fall and Spring terms); and

b. Demonstrates objective evidence of established residency in the state of Tennessee by presenting three (3) of the following:

(1) A Tennessee driver’s license, issued for at least one (1) year;

(2) A Tennessee Identification Card, issued for at least one (1) year;
(3) Proof of a Tennessee voter’s registration;

(4) A Tennessee motor vehicle registration;

(5) Proof of established employment in Tennessee;

(6) Residential lease or mortgage.

Further, if the veteran or eligible dependent wishes to become a permanent resident, he/she can follow Steps a. and b. above and be recoded as an in-state resident.

H. Individuals who join the Tennessee National Guard (active member) will be charged in-state tuition and fees.

I. Military service members on active-duty orders who are stationed outside of the state of Tennessee but still maintain a Tennessee domicile will be charged in-state tuition and fees.

J. An unemancipated person or spouse of an active-duty military member who is stationed outside of Tennessee but whose home of record is Tennessee, will be charged in-state tuition and fees (must show proof of domicile, including, but not limited to, driver’s license, voter’s registration, LES, tax document).

K. An unemancipated person whose parent is not domiciled in Tennessee but is a member of the armed forces and stationed in Tennessee or at Fort Campbell, Kentucky pursuant to military orders will be classified out-of-state but shall not be required to pay out-of-state tuition. Such a person, while in continuous attendance toward the degree for which he/she is currently enrolled, will not be required to pay out-of-state tuition if his/her parent is transferred on military orders.

L. Active-duty military personnel who begin working on a college degree at MTSU while stationed in Tennessee or at Fort Campbell, Kentucky, and who are transferred or deployed prior to completing their degree, can continue to completion of the degree at MTSU without being required to pay out-of-state tuition, as long as he/she completes at least one (1) course for credit each twelve (12)-month period after the transfer or deployment. Exceptions may be made in cases where the service member is deployed to an area of armed conflict for periods exceeding twelve (12) months.

M. A spouse or dependent child of a service member who has been transferred out of the state of Tennessee on military orders will be classified as an in-state student for tuition purposes, if the spouse or dependent child: (1) Was accepted for admission to a public postsecondary institution; (2) Was initially classified by the institution that accepted the spouse or dependent child for admission as a Tennessee resident for tuition purposes;
(3) Enrolls as a student in that institution for the academic term for which the spouse or dependent child was accepted for admission; and (4) Maintains continuous enrollment in that institution.

N. Military personnel and their spouses stationed in Tennessee or at Fort Campbell, Kentucky who would be classified out-of-state in accordance with other provisions of this policy will be classified out-of-state but will not be required to pay out-of-state tuition. This does not apply to military personnel and their spouses who are stationed in Tennessee primarily for educational purposes.

O. Pursuant to T.C.A. § 49-7-164, MTSU shall charge a dependent child under twenty-three (23) years of age, whose military parent dies as a result of a targeted attack that occurred in Tennessee, in-state tuition and fees regardless of the dependent child’s domicile or place of residence during the dependent child’s enrollment at MTSU, provided the dependent child has met and continues to meet all stated statutory requirements.

P. Part-time students who are not domiciled in Tennessee but who are employed full-time in Tennessee, or who are stationed at Fort Campbell, Kentucky pursuant to military orders, shall be classified out-of-state but shall not be required to pay out-of-state tuition. This shall apply to part-time students who are employed in Tennessee by more than one (1) employer, resulting in the equivalent of full-time employment. Full-time employment is defined as working either one (1) job at a minimum of thirty-two (32) hours per week or more than one (1) part-time job to total an average of thirty-two (32) hours per week.

Q. Presumption. No person shall qualify for in-state fees if he/she came to Tennessee for the primary purpose of attending college. For example, if an individual moved to Tennessee and immediately enrolled at MTSU, another university, college, or community college as a full-time student, that person is presumed to have moved to Tennessee for the primary purpose of attending college and will not be eligible for in-state fees. The presumption is that a student cannot acquire domicile in Tennessee while enrolled as a full-time student.

R. Evidence to be Considered for Establishment of Domicile. If a person asserts that he/she has established domicile in Tennessee, he/she has the burden of proving that he/she has done so. MTSU will consider any and all evidence provided concerning such claim of domicile. Generally, persons attempting to prove domicile should be prepared to offer multiple items of evidence including, but not limited to, proof of residence and/or property ownership within Tennessee; military orders assigning the person to Tennessee; proof of full-time employment within Tennessee; proof of receiving a Tennessee state benefit including, but not limited to, TennCare, TN Disability benefits,
or SNAP; proof of current classification as in-state for tuition and fee purposes at another public Tennessee higher education institution; etc.

2. In the event that the individual's application for in-state residency is denied, the individual will be advised to contact the Assistant Vice President for Student Affairs or designee to initiate an appeal of the classification.

B. The Assistant Vice President for Student Affairs or designee will, upon request of the individual and receipt of any additional information required for full consideration, convene the Student Appeals Committee. D. The Vice Provost for Enrollment Services will approve, reject, or modify the recommendation of the Student Appeals Committee. Notification to the individual of MTSU’s decision is anticipated to be within five (5) business days, except during periods when a large volume of appeals has been filed, which may require extension of this notification period.

0240-07-02-.02 Out-of-State Students who are not Required to Pay Out-of-State Tuition

(1) An unemancipated, currently enrolled student will be reclassified as out-of-state should his/her parent move out of the state of Tennessee. However, the student will not be required to pay out-of-state tuition nor be treated as an out-of-state student for admission purposes so long as he/she is continuously enrolled at MTSU.

(2) The waiver of out-of-state tuition granted to a student will follow the student from a Tennessee public community college to MTSU if the student transfers from the community college without a break in enrollment after successfully completing an associate's degree or if participating in a reverse transfer program.

(3) Students who participate in a study abroad program, when the course(s) in the study abroad program is/are the only course(s) for which the student is registered during that entire term are not required to pay out-of-state tuition.

(4) Dependent children whose parents are full-time, licensed Tennessee Public School Teachers and will be utilizing the Public Higher Education Fee Discount form.

(5) Military veterans who have a Tennessee address in Box 19A on their DD214 (mailing address after separation) will be charged in-state tuition and fees.

(6) A veteran or dependents eligible to receive educational benefits (to include the David Fry Scholarship) administered by the United States Department of Veterans Affairs, through any provision of the United States Code, shall not be required to pay out-of-state tuition and fees when the veteran or eligible dependent is:

(a) Enrolled at MTSU;

(b) Utilizing such benefits at MTSU; and

(c) Living in the state of Tennessee, regardless of the individual's formal state of residency.

If VA benefits run out/expire prior to graduation, a student can continue to qualify for in-state tuition and fees until completion of that degree, if he/she:

1. Maintains continuous enrollment (Fall and Spring terms); and

2. Demonstrates objective evidence of established residency in the state of Tennessee by presenting three (3) of the following:

   (i) A Tennessee driver's license, issued for at least one (1) year;

   (ii) A Tennessee Identification Card, issued for at least one (1) year;

   (iii) Proof of a Tennessee voter's registration;

   (iv) A Tennessee motor vehicle registration;
(v) Proof of established employment in Tennessee;
(vi) Residential lease or mortgage.

Further, if the veteran or eligible dependent wishes to become a permanent resident, he/she can follow Steps 1 and 2 above and be recoded as an in-state resident.

(7) Individuals who join the Tennessee National Guard (active member) will be charged in-state tuition and fees.

(8) Military service members on active-duty orders who are stationed outside of the state of Tennessee but still maintain a Tennessee domicile will be charged in-state tuition and fees.

(9) An unemancipated person or spouse of an active-duty military member who is stationed outside of Tennessee but whose home of record is Tennessee, will be charged in-state tuition and fees (must show proof of domicile, including, but not limited to, driver's license, voter's registration, LES, tax document).

(10) An unemancipated person whose parent is not domiciled in Tennessee but is a member of the armed forces and stationed in Tennessee or at Fort Campbell, Kentucky pursuant to military orders will be classified out-of-state but shall not be required to pay out-of-state tuition. Such a person, while in continuous attendance toward the degree for which he/she is currently enrolled, will not be required to pay out-of-state tuition if his/her parent is transferred on military orders.

(11) Active-duty military personnel who begin working on a college degree at MTSU while stationed in Tennessee or at Fort Campbell, Kentucky, and who are transferred or deployed prior to completing their degree, can continue to completion of the degree at MTSU without being required to pay out-of-state tuition, as long as he/she completes at least one (1) course for credit each twelve (12) month period after the transfer or deployment. Exceptions may be made in cases where the service member is deployed to an area of armed conflict for periods exceeding twelve (12) months.

(12) Military personnel and their spouses stationed in Tennessee or at Fort Campbell, Kentucky who would be classified out-of-state in accordance with other provisions of these rules will be classified out-of-state but will not be required to pay out-of-state tuition. This does not apply to military personnel and their spouses who are stationed in Tennessee primarily for educational purposes.

(13) MTSU shall charge a dependent child under twenty-three (23) years of age, whose military parent dies as a result of a targeted attack that occurred in Tennessee, in-state tuition and fees regardless of the dependent child’s domicile or place of residence during the dependent child’s enrollment at MTSU, provided the dependent child has met and continues to meet all stated statutory requirements.

Full-time employment is defined as working either one (1) job at a minimum of thirty-two (32) hours per week or more than one (1) part-time job to total an average of thirty-two (32) hours per week.

(15) Presumption. No person shall qualify for in-state fees if he/she came to Tennessee for the primary purpose of attending college. For example, if an individual moved to Tennessee and immediately enrolled at MTSU, another university, college, or community college as a full-time student, that person is presumed to have moved to Tennessee for the primary purpose of attending college and will not be eligible for in-state fees. The presumption is that a student cannot acquire domicile in Tennessee while enrolled as a full-time student.

(16) Evidence to be Considered for Establishment of Domicile. If a person asserts that he/she has established domicile in Tennessee, he/she has the burden of proving that he/she has done so. MEETING: Winter Quarterly Board Meeting

SUBJECT: Finance and Personnel Committee

DATE: December 6, 2023

PRESENTER: Pete DeLay
Committee Chair

- Compensation
- 2023-24 October Revised Budget
BACKGROUND INFORMATION:

Policy 808 – Compensation Reporting and Approvals requires the Board of Trustees to approve salary increases of MTSU employees.

On June 20, 2023, the MTSU Board of Trustees approved the allocation of the state appropriation salary pool of $6.1 million to employees. The approval involved the implementation of an across-the-board raise of 3.2% or $1,250, whichever is greater, for employees on the payroll as of June 30, 2023. These increases were implemented on the July 31, 2023, payroll for classified and administrative staff and on August 31, 2023, for faculty.

Since the State only partially funds the salary pool, the University is committed to providing additional funding of $3 million dollars and is recommending the implementation of market salary increases for faculty and staff. Of these funds, $2,449,000 will be allocated to salary increases and the remaining to employee benefit costs associated with these increases.
The market adjustments will be based on 2020-21 CUPA data and will be effective January 1, 2024, for employees on the payroll as of December 31, 2023. With the allocated resources, employees whose current salary is below the market predicted salary will receive 46.7% of the recommended adjustment in accordance with the University’s approved compensation plan.

Additional information has been included in your materials that show how these market salary adjustments affect the remaining gap between actual salaries and market salaries of the whole University.

One-time funding will be available from these resources due to the mid-year implementation of the salary increases. The University is developing an incentive plan for employees using these additional resources. A tentative timeline is provided in these materials and will be discussed at the meeting.

Background Information:

In order to support philanthropic investments in our colleges and universities, Tennessee state law - T.C.A. § 49-7-107 – calls for the governing board of each institution to enter into an agreement with the institution's foundation(s) to encourage and support private investment in our institutions. The MTSU Research Foundation was formed to promote the objectives of the University in promoting and managing research, innovation, and technology transfer and commercialization efforts, including providing assistance to faculty and staff in the procurement of patents and registering of copyrights and the licensing thereof. The Research Foundation's relationship to the University is based upon a shared interest in developing the University's research capacity and productivity and the success of the University's mission. The University's participation in and support of the Research Foundation's operations is recognized as appropriate and desirable.
While the Research Foundation will operate independently, by law, from the University, it is prudent and beneficial to have a clear statement, agreed upon by both parties, of their specific responsibilities, authority, and the relationship between the University and the Research Foundation. This Agreement will also define and establish the standards and procedures for accounting for and auditing of accounts of the Research Foundation while at the same time preserving the private and independent status of the Research Foundation.

With the approval of this Agreement, the Board of Trustees of the University designates the MTSU Research Foundation to receive private gifts that are related to or for the purposes of research grants and intellectual property, except for any gift for which the donor has specifically directed in writing that the gift be received and held by the University. In such case, it is understood and agreed that the University may name the Research Foundation as the manager of such gifts.
AGREEMENT BETWEEN
MIDDLE TENNESSEE STATE UNIVERSITY
AND
MTSU RESEARCH FOUNDATION

THIS AGREEMENT is made by and between Middle Tennessee State University (the “University”) and MTSU Research Foundation (the “Research Foundation”).

The University is a public institution of higher education created by T.C.A. § 49-8-101 and governed by the authority of a local governing Board of Trustees.

The Research Foundation is a private, non-profit corporation existing by virtue of T.C.A. § 49-7-107 and T.C.A. § 48-51-101 et seq. (Tennessee Nonprofit Corporation Act), has applied for tax-exempt under Section 501(c)(3) of Internal Revenue Code, and is organized in concert with the University. The Research Foundation is established by Articles of Incorporation filed with the State of Tennessee on July 15, 2019. Copies of the current documents are attached hereto as Exhibit A, and its purpose is as stated therein.

The Research Foundation’s relationship to the University is based upon a shared interest in the development of the University’s research capacity and productivity and the success of the University’s mission. Therefore, University participation in and support of the Research Foundation operations are appropriate and desirable. Because of the close, but independent, association of the Research Foundation with the University, it is prudent and beneficial to have a clear statement, agreed upon by the parties, of the responsibilities, authority, and the relationship of the University and the Research Foundation and to agree on the standards and procedures for accounting for and auditing of accounts of the Research Foundation. For the avoidance of doubt, nothing in this agreement is intended to eliminate the private and independent status of the Research Foundation.

By its approval of this Agreement, the Board of Trustees of the University approves the Research Foundation to receive private gifts that are related to or for the purpose of research grants and intellectual property. The types of private gifts that can be received by the Research Foundation does not include any gift for which the donor has specifically directed in writing that the gift be received and held by the University. It is understood that the University may name the Research Foundation as the manager of such a gift.

THE PARTIES HEREBY AGREE AS FOLLOWS:

I. RESEARCH FOUNDATION PURPOSE, POWERS, DUTIES, AND RESPONSIBILITIES

1. Purpose. The Research Foundation is organized for charitable, scientific, literary, and educational purposes, including for such purposes, the making of distributions to higher education institutes, or organizations that qualify as exempt organizations under Section
501(c)(3) of the Internal Revenue Code of 1986, as amended, or any corresponding section of any future federal tax code and, to the extent consistent with the provisions herein, to do any and all things allowable under the Tennessee Nonprofit Corporation Act. The Research Foundation is organized to operate for the benefit of the University, but only to the extent that such functions and purposes are for charitable, scientific, literary and educational purposes.

More specifically, the Research Foundation was formed to promote the objectives of the University in promoting and managing research, innovation, and technology transfer and commercialization efforts, including providing assistance to faculty and staff in the procurement of patents and registering of copyrights and the licensing thereof. In furtherance of these objectives, the Research Foundation was organized for the following purposes:

   a. Encourage, promote, and aid in the fulfillment of the educational, service, and research functions of the University;

   b. Facilitate acquisition of research funds from public and private sources;

   c. Develop and administer sponsored research and other projects conducted using University funds and/or by University faculty, staff, or students;

   d. Accept donations to support activities of the Research Foundation;

   e. Pursue appropriate legal protection for proprietary technologies developed using University funds and/or by University faculty, staff, or students;

   f. Hold and manage intellectual property assets on behalf of the University; and

   g. Promote commercialization of research products and transfer of University technologies to appropriate partners for their further development and commercialization.

2. **Powers.** The Research Foundation is empowered to and may exercise all rights and powers conferred on nonprofit corporations under the laws of Tennessee, or which may hereafter be conferred; provided however, that the Research Foundation shall not, except to an insubstantial degree, engage in any activities or exercise any powers that are not in furtherance of the purposes of the Research Foundation, as set forth above. Specifically, and without limiting the general powers granted to the Research Foundation under Tennessee law, the Research Foundation shall have the following powers:

   a. To encourage, promote, and develop the scientific and commercial value of inventions, discoveries, and processes by University faculty, staff, or students and to provide financial support for the publication and distribution of the results thereof;
b. To encourage, promote, and conduct projects which will fulfill the research, teaching, and service functions of the University;

c. To accept, negotiate, and enter into contracts to support research, teaching, and service functions by the faculty and staff of the University;

d. To accept, administer, and disburse gifts, grants, and bequests of property of every kind or to hold said property in trust in such a manner as the Research Foundation deems appropriate for the furthering of the purposes of the Research Foundation;

e. To provide or assist in providing funds, scholarships, fellowships, professorships, support services, and facilities for scientific and other research by University faculty, staff, and students;

f. MITSU RESEARCH FOUNDATION, INC.

A financial interest is not necessarily a conflict of interest. Under Section 3 Part 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Section 3 Procedures

1. Duty to Disclose - In connection with any actual or potential conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the members of the Board of Directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

If a more advantageous transaction or arrangement is not reasonably possible under the circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors or committee members whether the transaction or arrangement is in the organization's best interest, for its interest, and whether it is fair and reasonable. In conformity with the above determination shall make its decision as to whether to enter into the transaction or arrangement.

If the governing board or committee has reasonable cause to believe a member has failed to disclose an actual or potential conflict of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged
failure to disclose. If, after hearing the member’s response and after making further investigation, as warranted by the circumstances, the governing board or committee determines the member failed to disclose an actual or potential conflict of interest, it shall take appropriate disciplinary and corrective action.

Section 4 – Records of Proceedings

The minutes of the governing board and all committees with the board delegated powers shall contain the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or potential conflict of interest, the nature of the financial interest, and action is taken whether a conflict of interest was present, and the governing board’s or committee’s decision as to whether a conflict of interest in fact existed. Section 7 – Periodic Reviews

To ensure the organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include whether
compensation arrangements are reasonable, based on competent survey information, and the result of arm's length bargaining and whether partnerships, joint ventures, and arrangements with management organizations conform to the organization's written policies, are properly recorded, reflected reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissibility or private benefit, or in an excess benefit transaction.

DIRECTORS

Section 3.01 POWERS AND ELECTION. All corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed under the direction of, the Board of Directors, subject to any limitations set forth by law, the Charter, or these Bylaws. The members of the Board of Directors shall be elected by a majority vote of the then current directors in office at the annual meeting of the Board of Directors.

Section 3.02 NUMBER AND COMPOSITION. The Board of Directors shall consist of no fewer than three (3) and no more than thirteen (13) members. Subject to any provision in the Charter fixing the number of directors, the exact number of directors shall be fixed from time to time by resolution of the Board of Directors. No decrease in the number of directors shall have the effect of shortening the term of any incumbent director.

Section 3.03 TERM OF OFFICE. Directors shall serve for terms of three (3) years and may serve an unlimited number of consecutive terms. The terms of the directors shall be staggered, so that approximately one-third of the terms of such directors shall expire each year. The President of the Corporation shall designate which positions on the Board of Directors shall have one-year terms or two-year terms where needed to create or maintain staggered terms, except once determined, no term shall be reduced by the President. Terms of office begin with the start of the fiscal year used by the organization.

Section 3.04 REMOVAL. Any director may be removed with or without cause by an affirmative vote of at least two-thirds of the remaining members of the Board of Directors.

Section 3.05 RESIGNATION. A director may resign at any time by giving written notice to the Board of Directors or the Secretary. A resignation is effective when the notice is delivered unless the notice specifies a future effective date or makes resignation effective on the occurrence of an event. The pending vacancy may be filled before the effective date in accordance with 3.06 of these Bylaws, but the successor shall not take office until the effective date. Members of the Board of Directors who fail to attend at least two (2) board meetings annually may be requested to resign.

Section 3.06 VACANCIES. Any vacancy on the Board of Directors or in any office may be filled by a vote of a simple majority of the remaining Board of Directors at any regular meeting upon proper notice of said meeting. The President or any member of the Board of Directors may recommend one (1) nominee to the Board of Directors to fill each vacancy that occurs. Any director elected or appointed by the Board of Directors to fill a vacancy shall serve out the remaining term of the director being replaced.
Section 3.07 REGULAR MEETINGS OF DIRECTORS. There shall be at least four (4) regular meetings of the Board of Directors each year, one during each quarter of the Corporation’s fiscal year. The first meeting in each fiscal year shall be the annual meeting. Notice of regular meetings shall be given via regular mail or electronic mail, if the recipient has consented to electronic mail, utilizing the contact information on file with the Secretary, to each member of the Board of Directors at least ten (10) days in advance.

Section 3.08 SPECIAL MEETINGS OF DIRECTORS. Special meetings of the Board of Directors may be held at any time or place upon five (5) days written notice to the Board of Directors upon call of the President or by the Secretary upon written request of a majority of the directors. The Secretary shall give written notice, via regular mail or electronic mail, if the recipient has consented to electronic mail, utilizing the contact information on file with the Secretary, to each director of all meetings of the Board of Directors, and in the case of a special meeting, shall state the purpose of the meetings. Notwithstanding the foregoing, any meeting held for the purpose of voting on the removal of a director or any matter that would have required member approval under the Tennessee Nonprofit Corporation Act (the “Act”) if the Corporation had members, requires at least seven (7) days’ notice stating the purpose of the meeting.

Section 3.09 PARTICIPATION BY REMOTE COMMUNICATION. The Board of Directors may permit any or all directors to participate in any meeting by, or conduct the meeting through the use of, any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by remote communication is considered to be present in person at the meeting.

Section 3.10 WAIVER OF NOTICE. A director may waive any required notice of a meeting, before or after the date and time of the meeting, by a written waiver, signed by the director and filed with the minutes of the meeting or the corporate records. The participation or attendance of a director at a meeting constitutes waiver of notice, except where the director attends for the express purpose of objecting to holding the meeting or transacting business at the meeting, and the director does not vote for or assent to action taken at the meeting.

Section 3.11 QUORUM OF AND ACTION BY DIRECTORS. Fifty percent (50%) of the number of directors shall constitute a quorum for the transaction of business. The directors at a meeting for which a quorum is not present may adjourn the meeting until a time and place as may be determined by a vote of the directors present at that meeting. The affirmative vote of a majority of the directors present at a meeting at which a quorum is present when the vote is taken shall be the act of the Board of Directors, unless the vote of a greater number is required by the Charter or these Bylaws.

Section 3.12 COMPENSATION. Directors shall serve without compensation.

Section 3.13 ACTION BY DIRECTORS WITHOUT A MEETING. Unless prohibited by the Charter or these Bylaws, any action required or permitted to be taken at a meeting of the Board of Directors or any committee thereof may be taken without a meeting if all of the members consent to such action in writing, as evidenced by each member’s signature on such written consent. The written consents must be delivered to the Corporation and included
in the minutes of the proceedings of the Board of Directors or otherwise filed with the corporate
corporate records. A director with a material financial interest in the transaction voted upon is excluded
from the foregoing “all of the members” consent requirement. Action taken under this Section 3.13 is effective when the last director signs the consent unless the consent specifies a different effective date. A consent signed under this Section 3.13 has the effect of a meeting vote and may
be described as such in any document.

Section 3.14 COMMITTEES OF THE BOARD OF DIRECTORS. The Board of Directors, by resolution adopted by a majority of the Board of Directors, may designate one or more directors, or persons who are not directors, to constitute one or more committees, to exercise the authority of the Board of Directors to the extent provided in the resolution of the Board of Directors and allowed under the Act, except that no committee shall have the authority to do any of the following:

(a) authorize distributions;

(b) approve the dissolution, merger, or sale, pledge or transfer of all or substantially all of the Corporation’s assets;

(c) elect, appoint, or remove directors or officers or fill vacancies on the Board of Directors or any committees; or

(d) adopt, amend, or repeal the Charter or these Bylaws.

The designation of a committee of the Board of Directors and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law.

ARTICLE IV
OFFICERS

Section 4.01 POSITIONS AND ELECTION. The officers of the Corporation shall be elected by the Board of Directors and shall be a President, Secretary, Executive Director, and any other officers, including assistant officers and agents, as may be deemed necessary by the Board of Directors. Any two or more offices may be held by the same person. Officers shall be elected annually at the annual meeting of the Board of Directors. Each officer shall serve for a one (1) year term or until the earlier death, resignation, or removal of that officer. Vacancies or new offices shall be filled at the next regular or special meeting of the Board of Directors.

Section 4.02 REMOVAL AND RESIGNATION. Any officer may be removed with or without cause by an affirmative vote of the majority of the Board of Directors. Any officer or assistant officer appointed by an authorized officer may be removed at any time with or without cause by any officer with authority to appoint such officer or assistant officer. Removal shall be without prejudice to the contract rights, if any, of the officer so removed. The election or appointment of an officer shall not of itself create contract rights. Any officer may resign at any time by giving written notice to the Corporation. Resignation is effective when the notice is
delivered, unless the notice provides a later effective date. Any vacancies may be filled in accordance with Section 4.01 of these Bylaws.

Section 4.03 PRESIDENT. The President shall preside at all meetings of the Board of Directors and perform all of the duties usually vested in the President of a corporation. The President shall be an ex-officio member of all committees with the privilege of voting at all meetings.

Section 4.04 VICE PRESIDENT. The Vice President shall perform the duties of the President in the event of his or her absence, resignation, or inability to perform duties, in addition to other duties that may be delegated by the President. The Vice President must be a member of the Board of Directors.

Section 4.05 SECRETARY. The Secretary shall attend all meetings of the Board of Directors, shall record all votes and the minutes of all proceedings, and shall perform like duties for the standing committees when required. The Secretary shall give or cause to be given notice of all meetings of the Board of Directors and shall perform all other duties the Board of Directors or President shall assign. The Secretary shall be the custodian of the records of the Corporation. In the absence of the Secretary, the minutes of all meetings of the Board of Directors and shareholders shall be recorded by the person designated by the President or Board of Directors. The Secretary must be a member of the Board of Directors.

Section 4.06 EXECUTIVE DIRECTOR. The Executive Director shall be a non-voting member of the Board of Directors and serves at the pleasure of the Board of Directors as chief administrative and managerial personnel for the conduct of the Corporation’s business pursuant to terms and conditions set forth by the Board of Directors.

ARTICLE V
INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 5.01 INDEMNIFICATION FOR SUCCESSFUL DEFENSE OF PROCEEDINGS. The Corporation shall, to the fullest extent permitted by law, indemnify any person who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the person was a party by reason of the fact that the person is or was a director or officer of the Corporation, against reasonable expenses (including counsel fees) incurred by the person in connection with the proceeding.

Section 5.02 INDEMNIFICATION FOR OTHER PROCEEDINGS. The Corporation shall, to the extent permitted by the Act, indemnify any person who is a party to a proceeding because the person is or was a director, officer, employee, or agent of the Corporation against liability incurred in the proceeding.

Section 5.03 NON-EXCLUSIVITY OF INDEMNIFICATION RIGHTS. The rights of indemnification set out in this Article V shall be in addition to and not exclusive of any other rights to which any director or other person may be entitled to under the Charter, these Bylaws, a resolution of the Board of Directors, any other agreement with the Corporation, or otherwise,
both as to action in an official capacity and as to action in another capacity while holding such office.

**ARTICLE VI**
**MISCELLANEOUS**

Section 6.01 CHECKS, DRAFTS, ETC. All checks, drafts, or other instruments for payment of money or notes of the Corporation shall be signed by an officer or officers or any other person or persons as shall be determined from time to time by resolution of the Board of Directors.

Section 6.02 FISCAL YEAR. The fiscal year of the Corporation shall be as stated in the Charter or if not stated therein, as determined by the Board of Directors.

Section 6.03 CONFLICT WITH APPLICABLE LAW OR CHARTER. Unless the context requires otherwise, the general provisions, rules of construction, and the definitions of the Act shall govern the construction of these Bylaws. These Bylaws are adopted subject to any applicable law and the Charter. Whenever these Bylaws may conflict with any applicable law or the Charter, such conflict shall be resolved in favor of such law or the Charter.

Section 6.04 INVALID PROVISIONS. If any one or more of the provisions of these Bylaws, or the applicability of any provision to a specific situation, shall be held invalid or unenforceable, the provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of these Bylaws and all other applications of any provision shall not be affected thereby.

Section 6.05 PARLIAMENTARY PROCEDURE. Robert’s Rules of Order, when not in conflict with these Bylaws, shall govern the proceedings of the Corporation.

**ARTICLE VII**
**AMENDMENT OF BYLAWS**

To the extent allowed by the Act and not limited by the Charter, these Bylaws may be amended or repealed by the Board of Directors.
