CLUE

Virtual Scavenger Hunt

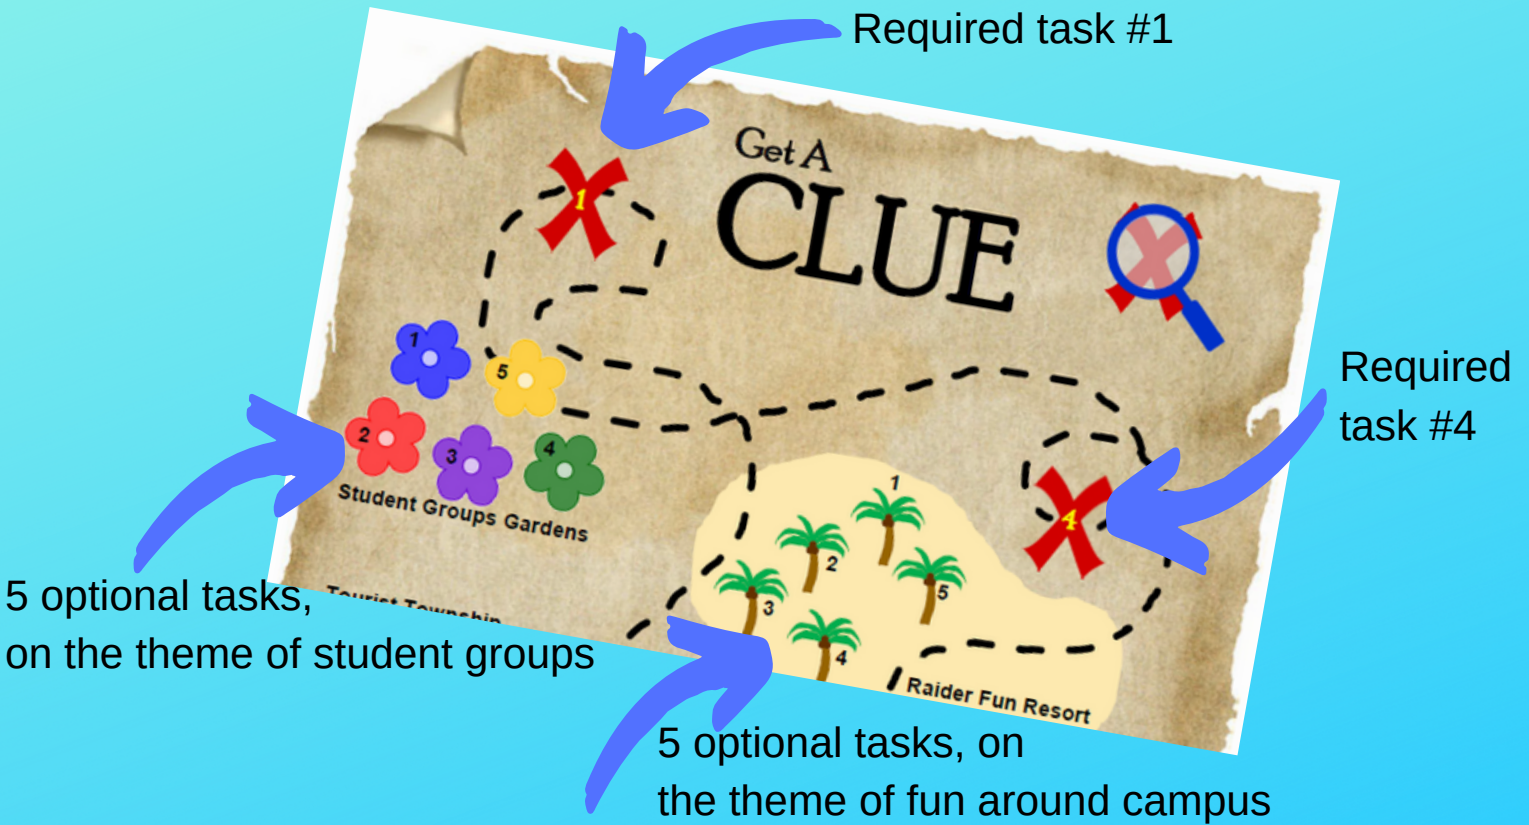

How To Play

STEP
1

Choose a Task

Click the Scavenger Hunt button on the CLUE homepage to view the map and choose a task. They can be completed in any order.

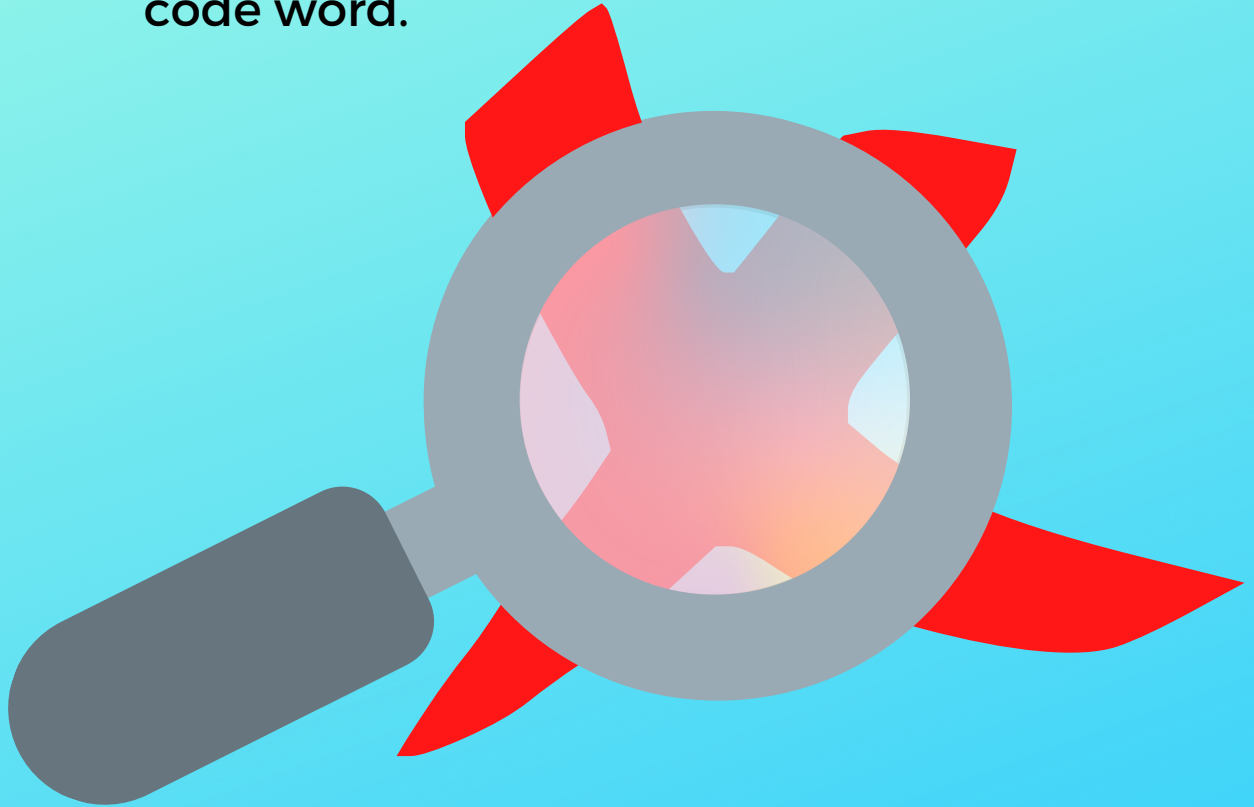

Helpful Hint: Red Xs are required tasks. Other icons in themed groups (for example, a group of palm trees) are optional tasks.

STEP
2

Complete the Task

Click the icon and a Google Form will open, with the task description and a spot to enter its code word. Complete the task* to gain the code word.

* Many tasks will require you to scan a QR code to get the code word. See our FAQs webpage for help with QR codes!

Earn Points

Enter the code word on the form and submit it. You'll get 15 points per required task and 5 points per optional task.

Try, Try Again!

Got it wrong on the first try? That's okay! Try again! You can repeat each task as much as you need in order to get the right answer. (You'll receive the points for the task only once--a maximum of 15 per required task and 5 per optional task.)
