V. Additional Policies

Confidentiality
Being involved in class discussion and small groups usually entails some amount of personal self-disclosure. Because of the nature of vulnerability, trust, and openness needed to learn about counseling, it is extremely important that confidentiality be maintained. Revealing personal information others have shared is a breach of confidentiality and is unethical. If you would like to share with others regarding your experiences, please reveal only your own reactions and understandings, and avoid using names or identifying features of your classmates. It is expected that any person participating in a demonstration, role-play, or group activity will have their confidentiality respected.

Program Dispositions Statements
Students in the Professional Counseling Program are required to demonstrate Program Dispositions (being collaborative, ethical, professional, reflective, self-directed, critical thinkers, and have acceptable counseling skills) in this class and in all other academic and professional endeavors. Information regarding demonstration of these dispositions will be used as a component of the faculty’s continuous evaluation of student progress. (See Professional Counseling Program Handbook for further details.)

Reasonable Accommodations for Students with Disabilities
If you have a documented disabilities described by Section 504 of the Rehabilitation Act of 1973
and the Americans with Disabilities Act (ADA) and would like to request academic and/or physical accommodations, please contact Director, Disabled Student Services, KUC 120 (898-2783) as soon as possible. Course requirements will not be waived, but reasonable accommodations may be provided as appropriate.

Professional Organizations
The MTSU Professional Counseling Program strongly recommends that you obtain membership in the Mu Tau Upsilon Chapter of Chi Sigma Iota. See Dr. Wilson if you are interested in joining. We also recommend participation in the American Counseling Association (ACA), American School Counselor Association (ASCA), the Tennessee Licensed Professional Counselors Association (TLPCA), and/or the Tennessee Counseling Association (TCA). Student memberships are available at a reduced rate and allow you to become actively involved in local, state, and national activities, which serve to enhance your professional repertoire.

Academic Misconduct
The use of a third party to submit a student's work is only allowed when accommodations are approved by the Disabled Student Services Office. Students found to be in violation of this policy will be reported to the faculty member and Dean of Student Affairs. Students should be familiar with the "MTSU Students Rights and Responsibilities" handbook which outlines academic misconduct including plagiarism, cheating, fabricating or facilitating any such act. The Handbook also provides a statement of community standards of civil behavior and code of computer use.

Academic Honesty
It is expected that all work you complete for this course is your own. You are expected to include appropriate citations (when applicable) in all of your work for this course. The University policy for academic misconduct will be followed. Academic misconduct includes the following behaviors: plagiarism, cheating, fabrication, or facilitating any such act. The following definitions apply:
• Plagiarism – the adoption or reproduction of ideas, words, statements, images, or works of another person as one’s own without proper acknowledgement.
• Cheating – using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.
• Fabrication – unauthorized falsification or invention of any information or citation in an academic exercise.
• Facilitation – helping or attempting to help another to violate a provision of the institutional code of academic misconduct.

True Blue Pledge
As a member of this diverse community, I am a valuable contributor to its progress and success. I am engaged in the life of this community. I am a recipient and a giver. I am a listener and a speaker. I am honest in word and deed. I am committed to reason, not violence. I am a learner now and forever. I am a BLUE RAIDER. True Blue!
