The Migration with Dignity Project seeks to preserve and celebrate the vibrant cultural diversity in middle Tennessee through stories of migration. The project this year highlights five original short films and one small public exhibit co-created by MTSU Global Studies students in direct collaboration with middle Tennessee families representing Bosnia and Herzegovina, Iraq, Mexico, and Somalia. All events are free and open to the public.

The Project acknowledges support by the MTSU Public Service Committee. Project partners include La Comunidad @ MTSU, Heritage Center of Murfreesboro and Rutherford County, MTSU Global Studies, MTSU Experiential Learning Scholars Program, Nashville Public Library, and Southern Organizing of Latin@ Educators.
