

Instructions on Maple Assignment I – Due Feb. 27

- This is a group project, each group consists of no more than 4 students, the work by one student will not be accepted since it encourages team work.
- You need to submit a cover page along with your Maple work, the cover page indicates the names of the participants and the role of each member in the group.
- Present all your Maple work in a neat fashion to get full credit and staple your work with the cover page.
