## William White competes in the Annual State Farm Marketing and Sales Competition

---

We are so proud of Gamma member, William White and team from MTSU for placing 6th in the State Farm Sales and Marketing Competition. William is working full-time as a Sales Producer for an agent with State Farm and is set to graduate in May 2022. Gamma members shine!!

## MTSU will send six students to compete in Selective Competition in 2022

**SELECTIVE**  
INSURANCE®

Selective sponsors an independent agency management competition. Students operate a simulated agency in competition with teams from other universities. The agency with the highest value wins. We wish the best of luck to our MTSU team!!
