Step 4

Try, Try Again!

Got it wrong on the first try? That's okay! Try again! You can repeat each task as much as you need in order to get the right answer. (You'll receive points for the task only once.)
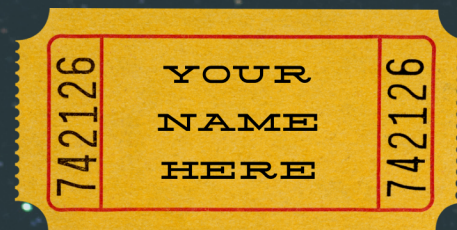

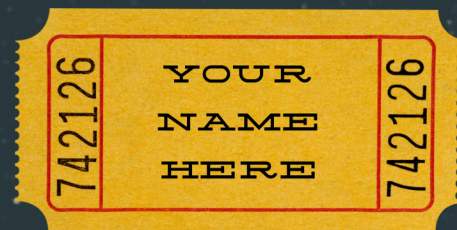

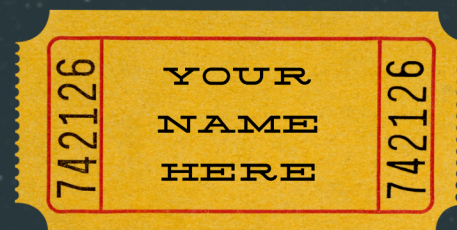

Step 5

Reach Your Goal

Earn prize tickets based on the number of points received. Tickets are cumulative: the more points you earn, the more tickets are entered into the drawing for you.

16 points = 1 ticket

32 points = 2 tickets

48 points = 3 tickets

It is difficult but possible to get an extra ticket with bonus tasks.
Earn 64 points for a total of 4 tickets.

Step 6

Pick Up Prizes

Your tickets will be placed in a drawing to win prizes. Limit 1 prize per winner. Winners pick their prizes in the order that their names were drawn.

Winners will be contacted about picking and collecting their prizes after August 26, so keep an eye on your email!
