

NFS Faculty Host Workshop for High School Teachers about Dual Enrollment Online Nutrition Science Course

The 2017 Summer Nutrition Science Workshop introduced Rutherford and Williamson County high school teachers to the online, dual enrollment class (NFS 2220 Nutrition for Health Sciences) that will be offered for the first time fall 2017. The course will also be open to home school students interested in earning college credit.

In attendance L-R: Tracy Noerper (MTSU), Elizabeth Grindstaff (Independence), Jaime Brown (Riverdale), Georgette Brown (Oakland), Celeste Arman (Smyrna) and Janet Colson (MTSU).
