

Deferred Enrollment

2013-2014 Academic Year

If you are not able to enroll for the semester you were initially admitted, please notify the International Affairs Office at international@mtsu.edu. We can defer your enrollment for the next available semester upon your request.

Please be aware that there may be some documents that need to be updated such as some of the medical documents or the insurance information but the Admission's Counselor will contact you through e-mail to let you know. If you are a graduate student, be sure to check with the department of your major regarding graduate assistantships. If you have been awarded an assistantship, ask your department if they are able to defer your assistantship if you are unable to enroll for the initial semester you were admitted for.
