

About Us

Brown & Brown Insurance was founded in 1939 and has exponentially risen to become the sixth largest insurance intermediary in the world with over 9,500 team members. Powered by a culture that values individual initiative and instills a “can-do” attitude, Brown & Brown is arguably the most efficient operating platform in the insurance brokerage business.

Thanks to our lean, decentralized model, rigid rules and bureaucratic interference are minimized to help drive new and innovative ideas. Our corporate culture is built on vision, speed, agility and strength allowing us to thrive in a very competitive insurance environment. This unique culture has enabled us to quickly chase down new opportunities, adapt our products and services to best meet market demands, and satisfy our many and varied customers.

Brown & Brown of Tennessee specializes in Property & Casualty, Personal Lines and Employee Benefits insurance. With around 90 team members in the Nashville area, we take pride in our local presence and national strength.
