

The Crichton Group

Insurance & Risk Management

About Us

The Crichton Group has achieved success not by simply selling quality products, but by building relationships. Building trust. And designing insurance and risk management solutions specifically tailored to the needs of our clients. That's what being a partner is all about.

As an independent broker, The Crichton Group is able to offer our clients the kind of personalized attention they deserve. Our agents will make the extra effort – go the extra mile – to learn about your needs and financial goals. This approach has allowed us to see measurable results for each and every one of our clients, time after time.

Internship

This internship is looking to place a local student in the Employee Benefits department with strengths in detail to accuracy, sense of urgency, and is proficient in Excel to buildout spreadsheets for Employee Benefits Data. The Crichton Group is interested in the candidate continuing as a part time employee in the fall once the internship has concluded.

The Crichton Internship Program will provide a meaningful, hands-on work experience across the agency through a rotational program designed to broaden your skills and enhance your knowledge in preparation for success in the industry post-graduation. You will attend client meetings with producers and have opportunities to work with professionals in the large commercial, risk control, claims, marketing and employee benefits departments. The Crichton Internship Program is designed to help you match your interests to a real job. Come see why The Crichton Group is truly one of the best places to work in Nashville! Interns selected for a second year will receive the opportunity to obtain their license paid by The Crichton Group.
