

About Us

We're a part of the community.

Over 5,000 employees and 12,000 independent agents live and work in hometowns like yours.

We're driven to give back to our communities, from delivering Meals on Wheels and coaching Little League, to helping people rebuild after a catastrophe.

We know that our customers trust us to help them when they're faced with the worst. We're proud to be there when they need us the most.

Summer Internship

Working as an insurance agency intern at one of our independent agencies you will:

- work with experienced small business owners assisting with office management, customer service and agency revenue growth
- develop and implement small business marketing programs
- assist small business to increase social media presence
- work directly with clients to triage day-to-day insurance issues
