

In 1963, we began selling insurance under the company name Permanent General Agency. Over the years, we have sold insurance through various companies including Permanent General Assurance Corporation (Permanent General® or PGAC® for short). Although our loveable mascot didn't join our ranks until a few decades later, we bring over 50 years of experience to the table when we do business with you. We are proud of our long history, and we hope that it serves our customers well when they need us!

Current internship opportunities are open in the following departments:
