KNOW BEFORE YOU ENROLL

Attending Summer 2022? Come to one of our workshops. We'll talk about:

- How to arrange your classes to make the most of your benefits.
- How different summer terms/sessions affect your payments.
- And how you could be registered for 12 hours and still NOT be considered full-time according to VA policy.

Attend a workshop for a better understanding of how the VA awards benefits during the summer to ensure you get the most from your benefits.
