To honor the MTSU men and women who have served in every branch of our nation's armed forces, MTSU is constructing a *campus veterans memorial*. The memorial will honor all veterans and will prominently recognize those alumni who have made the supreme sacrifice in *service to their country*. This is an important opportunity to set aside a calm place on campus for reflection, discussion, and inspiration. For a \$150 contribution, you can honor a veteran or active-duty service member who is important in your life while supporting the overall MTSU effort to remember all veterans who have demonstrated the *Blue Raider spirit of service* to campus, community, and country.
