

Visitor Guidelines

We're excited to welcome you to campus - in person - to see yourself at MTSU. To ensure the health & safety of the MTSU community and our visitors, we have put in place the following measures based on public health directives from the TN Governor and CDC.

BEFORE YOUR VISIT

We require all visitors to register in advance of arriving on campus. To register for a campus tour, go to mtsu.edu/tours. To limit crowds in our Welcome Center, we are **limiting all families to four (4) members**: the prospective student & three (3) guests. We may not be able to accommodate walk-in visitors due to social distancing guidelines.

FACE COVERING & HYGIENE

You and your guests are **required to bring a face covering** to wear when visiting campus. Face coverings should cover both your nose and mouth. Face coverings should be worn at all times, especially when physical distancing of three (3) feet or greater is not possible.

Our public restrooms will be available to use. We strongly encourage abiding by public health guidelines, including washing your hands with soap and water for 20 seconds or more.

While we eagerly anticipate meeting you in person, out of caution, our admissions staff will not be shaking hands. Please do not be offended.

FOR QUESTIONS:

If you have questions about your upcoming visit, email tours@mtsu.edu or call **615-898-5670**. Any changes to campus visits will be posted to mtsu.edu/tours

ON THE DAY OF YOUR VISIT

On the day of your scheduled campus tour, please check-in at the Student Services and Admissions Center (SSAC). Additional information on arriving to campus will be included in your confirmation and reminder emails.

Tour groups will be limited to **25 people per tour guide**. For the safety of our campus community, residence halls and the interior of academic buildings will not be shown on tour.

We are unable to provide in-person admissions presentations and interviews. If you are on campus and would like to speak with an admissions counselor, meetings will be conducted in the lobby. For high school seniors with specific questions, we strongly encourage registering for a virtual info session at mtsu.edu/visit.

While Middle Tennessee State University is taking all precautions to safeguard our community, we cannot eliminate the risk of COVID-19 exposure and infection on campus. Please be reminded that you are undertaking your visit at your own risk. **If any visitor shows symptoms and tests positive for COVID-19 within 48 hours of visiting campus**, please refrain from visiting campus and reschedule your tour.
