

SGA Resolution No. 3-04-F

A Resolution to paint the two unmarked speed bumps located on Champion Way a visible color.

Whereas: It is pointless to have speed bumps if drivers do not see them, and

Whereas: The purpose of a speed bump is to slow down drivers before they reach it, not afterwards, and

Whereas: Visible speed bumps will slow traffic and in return create a safer environment on campus,

THEREFORE, LET IT BE RESOLVED BY THE 67TH SGA CONGRESS STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: The speed bumps located on Champion Way shall be painted a visible color

Section 2: By doing so drivers will be able to slow down sooner which will create a safer atmosphere for everyone on campus.
