

SGA Resolution No. 14-04-F

A Resolution to provide stools for the cashiers in the Keathley University Center Grill.

Whereas: Many of the cashiers are advanced in their age and cannot stand for long hours during the day,

Whereas: Their job requires them to take money/raider funds from students for payment of food; therefore there is absolutely no reason why we should hinder their comfort,

Whereas: If this passes, it will announce that the students actually care about the employees on campus and their welfare,

Whereas: If the KUC Grill employees have a healthier work environment then the hospitality and atmosphere of the entire dining facility would be better,

THEREFORE, LET IT BE RESOLVED BY THE 67TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: Stools will be provided for the cashiers in the Keathley University Center Grill.
