RE: SGA Resolution 7-08-F

DATE: October 22, 2008

The attached legislation requests that students who are not enrolled in classes, but who live on campus during the summer be entitled to use the Recreation Center at no cost during the summer. I understand that this would eliminate a significant portion of the summer income generated by your department and therefore, believe that this proposal may prove to be cost prohibitive. However, I am required, per the SGA Constitution, to forward this legislation to the appropriate individual for a response.

We generally ask for some timely response to SGA legislation. In the immediate instance, I believe it would be appropriate for you to review the SGA's recommendation and provide a response to me within 30 days. Please contact Sondra Wilson, SGA President, or Dr. Gene Fitch if you have any questions regarding this legislation.
