RE: SGA Resolution 10-08-F

DATE: December 18, 2008

The attached Student Government legislation requests that the hours of operation for the Bistro, located in the Mass Communication Building, be extended beyond the current closing time of 2:00 p.m. Students have provided information indicating there are a significant number of students in the Mass Communication Building once the Bistro closes. I am forwarding the legislation requesting that this recommendation be considered.

We generally ask for some timely response to SGA legislation. In the immediate instance, I believe it would be appropriate for you to review the SGA's recommendation and provide a response to me within 30 days.
