

SGA Resolution 12-14-S

A resolution to include vapor usage in all tobacco-free materials presented by Middle Tennessee State University

- Whereas:** The tobacco-free campaign has been in effect since June 2011, with implementation taking place in January 2012;
- Whereas:** Current Middle Tennessee State University documentation refers to products similar to vapor and electronic cigarettes;
- Whereas:** The potential dangers of e-cigarettes have been forewarned by the FDA, noting the use of nicotine;
- Whereas:** Many students do not care to be around the vapor smoke.

THEREFORE, LET IT BE RESOLVED BY THE 76TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:

- Section 1:** In order to enforce what is not publically stated, Middle Tennessee State University shall henceforth include the word “vapor” in all tobacco-free materials, so as to read “tobacco and vapor free”.
- Section 2:** This will take effect immediately upon passage.
