

Dear MTSU Student:

Thank you for your interest in the 2018-2019 Student Judicial Board. SJB is an excellent way for students to get involved on campus! While serving on the board, you will learn more about the campus disciplinary system, the SGA constitution, and SGA's system for hearing traffic appeals. This forum is an excellent way to build your communication skills. Additionally, you will be afforded the opportunity to participate in self-governance in the purest form.

The Student Judicial Board has three primary purposes:

- To hear disciplinary cases referred to it by the Office of Judicial Affairs & Mediation Services
- To interpret the SGA constitution when requested to do so
- To adjudicate traffic appeals when students select the option to present their case to the Board

To apply to be a member of the SJB, you must submit a **completed application packet** to Center for Student Involvement & Leadership Office in the Student Union Building room 330 by **4:00pm on Friday, September 7, 2018**. The application includes the application form and a case study analysis. Failure to submit any portion of the application packet will void your application.

Interviews will be conducted September 11th-13th. **Please sign up for an interview time when you turn in your application packet!** The interview signup sheet will be available in the main office of CSIL. **Mandatory training is September 21st from 1:00pm-3:00 pm.** Please mark your calendar now.

Should you have questions about the application process or interviews, please contact my office at 615-898-2750 or via email at carrie.cristancho@mtsu.edu . I look forward to talking with you soon about becoming a member of the SJB!

Sincerely,

Carrie Cristancho

2018-2019 Student Judicial Board Case Study

Thanks for your interest in the SJB! To apply to be a member, you must submit responses to the scenarios below with your completed application. The case study responses must be typed, double spaced, and in a traditional font and size.

Case Study # 1: Linda Lightning submits an appeal to a traffic citation he/she received for parking in a handicap space. At the time of occurrence, Linda claims she was with a disabled family member, but cannot provide proper documentation (i.e. a picture of the state issued handicap placard used) validating her claims. What conclusion should the Board make? Why?

Case Study #2: Randy Raider receives a citation for improperly parking over a marked line. Randy claims he could not have done anything about it because another student was improperly parked over the line as well (the initial ticket writer photograph only shows Randy's vehicle in the lot). What conclusion should the Board make? Why?

Case Study #3: Bo Blue receives a citation for having no campus permit. Bo is a commuter with a green (commuter) parking permit. He was parked in the corresponding green lot but failed to display his parking permit. What conclusion should the Board make? Why?
