*A case is defined as a student or organization that has been charged with a disciplinary offense. The case number does not reflect the total number of disciplinary referrals made to the office. One student may have multiple cases.

**The total number of violation types will exceed the total number of disciplinary cases handled by the office. One student may have multiple violation types within one disciplinary case.

***The statistics contained in this report represent disciplinary cases adjudicated by the Office of Judicial Affairs and Mediation Services for the time period indicated. Formal charges may have also been filed with the MTSU police department and/or the Department of Housing and Residential Life. It is possible that a single violation may appear in reports from all three departments. Disciplinary matters that were adjudicated solely by the Department of Housing and Residential Life are not reflected in these statistics.
